PUBLISHED WEEKLY IN CANAL POINT BY PAUL RARDIN

CIRCULATING THROUGHOUT THE VAST AGRICULTURAL AREA OF PALM BEACH COUNTY

Teachers Getting All Set For School Opening Sept. 5th.

Pahokee school teachers will report for duty on Monday, Aug. 14, preparatory to the opening of school on Sept. 5, according to Principal Clyde A. Canipe.

There are only two changes from last year in the faculty at the high school, Mr. Canipe said. J. H. Maynor, former assistant coach at Belle Glade, replaces Clyde Alley as athletic director and head football coach. Mr. Alley resigned last May when he was voted into the office of city clerk. An English and Latin teacher is yet to be employed to fill the vacancy left by the resignation of Mrs. Oleen Strayhorn. At the elementary school there is only one change in the teaching staff. Mrs. Peggy Willis has been employed third grade teacher to replace Mrs. Lula Pope who has been transferred to the Lake Worth School.

On Monday, Aug. 14, an open meeting of all teachers and principals in the Palm Beach County School system will be held at the Palm Beach High School auditorium at 10 a. m. Following this meeting county teachers and principals will spend the greater part of the next three weeks in round-table discussion of improved teaching methods.

Miss Nell Sifton will conduct a discussion of language and arts for elementary school teachers, third through the sixth grades, at the Belle Glade School on Tuesday, Aug. 15, at 2 p. m.

Miss Sara Haynes will lead fourth, fifth and sixth grade teachers in a discussion of "The Best Way to Teach a Child to Read" at the Pahokee School on Tuesday, Aug. 22 at 10:30 a. m. Seventh and eighth grade teacher will also discuss the same subject under Miss Haynes' direction at the Palm Beach High School on Aug. 23 at 10:30 a. m.

Vacation Bible School On Monday

The Vacation Bible School of the Canal Point Baptist Church begins on Monday, Aug. 14 at 8:30 a. m. Children ages 4 thru 16 are invited to come. The registration is to be at the church Saturday Aug. 12 at 9:00 a. m. All the children and teachers are to register at that time.

CIRCLE MEETS

The Lottie Moon Circle, First Baptist WAMU, met at the home of Mrs. L. W. Mullis Monday afternoon with Mrs. J. E. Unwin presiding in the absence of the chairman, Mrs. W. A. Stevens, Sr. A chapter from the mission, a study book, "So This is Africa," was reviewed by Mrs. James Batchelor.

There are always two classes of people in the world: those who live to get—they are those who cause wars and poverty; and those who live to give—they are those who bring peace and prosperity.

Beauty Contest Is Basis For Argument

BROOKSVILLE — J. Bralley Odham, president of the Florida Junior Chamber of Commerce, has notified Walter Burt, president of the Hernando County Junior Chamber of Commerce, that there will be a hearing before the executive committee, during the Summer conference, on Brooksville's charges that the Miss Florida contest was unfairly conducted.

The Hernando County Jaycees said that their entry from Weekiwachee Spring, Miss Mary Dwight, should have been chosen for first place. The title was won by a Miami girl who was later disqualified because she was not yet 18. The title is held by the St. Petersburg entry, Miss Janet Ruth Crockett, with Miss Dwight holding second place. The conference will be held in Orlando, August 11, 12 and 13.

Girl Scout Work To Get Under Way For New School Term

The Pahokee Girl Scout Committee is planning to get Girl Scout and Brownie Troops reorganized in the near future in order that scouting activities can get under way simultaneously with the opening of school in September, according to Mrs. Grady Barker, chairman.

The committee will call for an open meeting of parents later this month, the date to be announced. It not only expects to get scouting started two months earlier than usual this season but also is planning for bigger and better organizations in both the girl scout and brownie groups.

Leadership training courses for adults interested in scout work will be available under the sponsorship of the committee throughout the coming year. Anyone interested in assisting in any phase of scouting activities is asked to contact Mrs. Barker.

On the committee, in addition to Mrs. Barker, are Mrs. H. M. McIntosh, vice chairman; Mrs. Leon Spooner, secretary, and Mrs. Charles Cobb, treasurer. Chairman of special activity committees will be appointed in the near future.

PROFESSOR NAMED

GAINESVILLE—Dr. Warder C. Allee, former professor of biology at the University of Chicago, has been appointed head professor of biology at the University of Florida, beginning September 1.

The new head professor of biology came up through the ranks from assistant professor to professor at Chicago, where he had been a member of the faculty since 1921. During the Summers of 1914 to 1921 he served as instructor at the Marine Biology Laboratory at Woods Hole, Mass., and professor of zoology at National Summer School, Logan, Utah.

The prevailing idea of poverty seems to be that you are not able to buy an automobile and keep it in fuel. It was Shakespeare who said something like this: "What fools these mortals be."

Funeral Services Be Held Sunday For Mrs. Pearl Ennis

Funeral services for Mrs. Evelyn Pearl Ennis, 51, of Canal Point will be held at the Canal Point Methodist Church Sunday afternoon, with Rev. William T. Blair of West Palm Beach, former pastor of the church, and Rev. C. J. Smyly, pastor of the Missionary Baptist Church, officiating.

Mrs. Ennis, a resident of Canal Point for 15 years, suffered a heart attack Tuesday night and died around 10:30 p. m. while being taken to the Pahokee hospital. A native of Milledgeville, Ga., she came to Canal Point from Elkton, Fla. Several years ago she opened a restaurant in Canal Point and soon gained local fame for her excellent home cooking. She was a member of the Canal Point Methodist Church.

Survivors include her husband, Thomas Watson Ennis, Canal Point; three brothers, C. H. Hitchcock and W. P. Hitchcock, Canal Point, and W. L. Hitchcock, Washington, D. C.; five sisters, Mrs. C. R. Webb, Atlantic City, N. J.; Mrs. F. W. Hodges, York, Pa.; Mrs. W. C. Pope, Darby, Pa.; Mrs. Ray Lavender and Mrs. Herbert Sims, Milledgeville; and a stepmother, Mrs. W. P. Hitchcock, Sr., Milledgeville.

Burial will be at the Port Mayaca Cemetery. Berry's Funeral Home is in charge of arrangements.

Work Started On Canal And Dike To Aid This Section

Creation of "canal and levee L-8 (east)," fifth major earth moving job to get going under Florida's overall flood control program, was started Tuesday near 20-Mile Bend.

Clemens Hoppe of New York, president of the Clemens Construction Co., confirmed reports his forces were beginning the job under a \$261,051 contract.

He said equipment includes a 250,000-pound excavator—as large as any in use.

The job is the first of the kind started in this area under the program, previous ones being mostly in Broward.

As described by the Central and Southern Florida Flood Control District board, the L-8 (east) job calls for excavating a channel and building levees on both sides of it for 3.8 miles, starting at the West Palm Beach canal 20 miles east of here and running north.

From its northern terminus a spur levee will extend northeast 1.48 miles.

Lessons In Tennis For Pahokee Fans

Whitney Powers, tennis instructor of West Palm Beach, is giving lessons in tennis playing on the new courts at the Pahokee city park every Thursday afternoon, according to an announcement made at the Tuesday luncheon meeting of the Pahokee Lions Club.

Arrangements for Mr. Powers to give tennis lessons here were made by Rupert Mock under the sponsorship of the Lions Club. The instruction is being offered to the public free of charge. Twenty-seven persons received tips on how to improve their game at the courts on Thursday afternoon.

On the program Tuesday, Jackie Sullivan and Melvin Tillis entertained with hill billy and cowboy songs with guitar accompaniment. They were introduced by Marshall Lair, program chairman. President Thomas Baldwin presided.

Pahokee Vacation Bible School Has A Good Attendance

The Vacation Bible School and Youth Retreat at the Pahokee First Baptist Church got off to a good start Monday with approximately 100 children from 4 to 12 years attending the school from 9 a. m. to 12 noon in the morning and around 40 young people from 13 to 24 years taking part in the youth discussions in the evening.

The Youth Retreat, a new feature in the local vacation school, has as its theme, "Planning a Life," and features discussions of subjects of vital interest to youth, led by a qualified adult.

The Retreat opened with a covered-dish supper in the fellowship hall Monday evening and Rev. Wade Griffin of Belle Glade led the discussion of the general theme, "Planning a Life." On Tuesday night the subject was "Youth Preparing for a Happy Home Life," with Mrs. H. H. Shirley acting as mediator. Mrs. Leon Burnett led the young people Wednesday night in a discussion of "Choosing a Mate." On Thursday night the subject was "Christian Recreation," with Rev. Henry Reed of Clewiston in charge.

This Friday night a four-reel motion picture, "Beyond Our Own," will be shown at 7:30 and the public is invited to attend. H. L. Speer will lead a discussion of "Choosing a Vocation" Monday night and the Retreat will close Tuesday night with a discussion of "Forming Clean Habits" led by Rev. C. J. Smyly of Canal Point.

Each evening the Retreat opens with a worship service led by Charles McCurdy, song leader, with Miss Margaret Powell at the piano. The Bible study of the Book of Mark is being led by Hoke H. Shirley, Jr.

Rev. Hoke H. Shirley is serving as principal at both the morning school and the youth study groups in the evening. All children and young people are invited to attend.

Woman was made before mirror, and has been before them ever since.

Contract On Park Building Awarded Don Hillier & Sons

The Palm Beach County Commission, at a special meeting, accepted the bid of Don Hillier & Sons of Pahokee for construction of a county park building at Canal Point.

The bid was accepted on recommendation of County Engineer J. M. Boyd who said the building could be built on the submitted price at about \$8.60 per cubic foot. He said it was unlikely that the commission could secure a better price if new bids were sought.

Total cost of the building, as submitted by the construction company was \$30,750 for the 30x100 foot structure. Boyd said that some saving would be affected by using salvaged plumbing equipment from International Airport for the Glades park building.

The structure will be built on land purchased by the county from the US Sugar Corp. and will be used for public gatherings and as a social center, according to Paul Rardin, vice chairman of the commission.

Dedication of the new Southern Boulevard bridge built across the inland waterway on State Rd. 80, was announced for Labor Day by Commissioner John Prince, in whose district the new span has been constructed.

Principal speaker for the Labor Day dedication will be Alfred A. McKethan, chairman of the State Road Board whose Letter of acceptance for the event was received Monday by the commission.

The commission set the special meeting this week to hear final complaints on current tax assessments but were advised by County Tax Assessor that no action was needed, according to a letter from (continued on page 8)

Tennis Court For Canal Point Gets Finishing Touches

The tennis court at the Canal Point School has been resurfaced and will be ready for use as soon as the backstops are completed and a new net is purchased, according to a report given at the dinner meeting of the Canal Point Lions Club Monday night.

The rebuilding of the court is a project being sponsored jointly by the Lions and the PTA and the latter organization will be asked to assist in raising funds for the backstops and the new net.

It was announced that 45 residents of Canal Point contacted in the survey being conducted by the club are definitely in favor of a garbage collection service and a Lions Committee is now working out plans to get this service started.

Osceloa Upthegrove, attendance chairman, reported attendance to regular meetings to date this year averaged 77 per cent as compared to an attendance of 55 per cent through the same period last year. President Boyd Vorhees presided.

Inferior	\$18.25-019.00
228 cattle, 112 calves, 40 hogs	returned \$32,800.00.
Somewhat higher prices prevailed this week, but did not go quite as high as the week that launched the Korean war. Indications are that the heavy summer run of cattle will not break the general price level. We don't expect either ceilings or rations, but the situation could change at any time. Don't expect higher prices than are now being received.	
Top money went to Frank Haas in the amount of \$343.12 for a 1,525 pound bull at \$22.50. Quite a salvage for a bull which has paid for himself many times over in the pasture! We like bulls of plenty of scale combined with the ability to pass on weight to their calves. It is false economy to use low grade bulls in your herd—ask the boys who make money producing veal! One thousand dollars is not too much to pay for the	

right kind of bull for the commercial herd.

Sam Chastain's fed steers brought nice returns and further advertised beef production in the Glades as they went through the ring in matched groups of two to five animals per group.

We like to see animals come in early as they did this past week. Bring your cattle before twelve o'clock every Friday.

Cinematic Chatter

By Malcolm Miller

Reading about this picture "Sunset Boulevard", which will give many oldtime cinema players an opportunity to be seen again by their declining public of their hectic younger days, and which will bring back many memories to we who date back with these oldtimers to those gay days, brings back memories to me that are mighty pleasant. Gloria Swanson is in that picture and she is still a beautiful girl, although well along in point of years. I recall 1915 in Phenix, Arizona, in the early spring. We were there then with the Redman Stock Company and Roscoe Karns was our handsome leading man. Mack Sennet and his Bathing Beauties were on location in Phenix making a comedy and the late Fatty Arbuckle was there. We used to meet daily at the swim pond and had great times chatting, swimming and lunching together. Our company used to have rehearsals out there and Big Bill House, with his musical comedy company made most of their comedy scenes on the rim of the old swimming hole. Sennet's company were there relaxing after some early morning shots at another spot. We of the stage used to earn money as "Extras" with the movie companies, and we were in a couple of scenes in this picture. Miss Swanson, I recall, was a bathing beauty at that time, but she did have some lines. When I say lines, regarding Gloria, I don't mean just printed lines. Gloria had those kind of lines that brought cash to the box office. Those days are only memories now, but they are mighty pleasant to recall and I shall happily recall them again when the picture comes this way. Well for one time Humphrey Bogart is to be seen in a picture with Eleanor Parker, instead of Lauren Bacall, his wife. Humphrey is one of those veteran

actors that grows greater as he grows older in the cinema. His latest picture is "Chain Lightning", a story of jet-propelled planes, which will be seen at the Prince Theatre Sunday-Monday—See you at the movies—Mal.

Commerce Dept. Has Import List

JACKSONVILLE—The district office of the U. S. Commerce Department, located in the Federal Building here, in order to assist foreign traders in extending their sales abroad, and in bringing into this country articles in demand, supplies lists of importers and dealers in foreign countries who are in a position to represent our manufacturers and exporters for sales abroad, as well as to provide them with essential importation: here. This trade list, comprising all commodities of any importance in world trade, and indexed by individual countries, is open for perusal, at any time, to those interested.

Florida's strategic location, with proximity to the Panama Canal giving her easy access to countries bordering on the vast Pacific basin, and with a direct route to European and African markets puts her in particularly favorable spotting for the rich trade abroad, and figures show that she has not been asleep.

Florida world trade, covering a wide variety of both imports and exports, jumped, in the 1939-49 span, from \$50 million to over \$194 million. Chief imports include bananas, coffee, cigar leaf, sugar, chemicals, gypsum rock and petroleum products, while principal exports are machinery and vehicles, chemicals and related products, vegetable products and beverages, naval stores, oyster shells, fertilizers, textile fibers and manufactures.

Reciprocal trade agreements with all leading commercial nations, minutely drawn up and strictly adhered to, have shaved duty charges on both sides of the global mart, and right there is the kernel of this amazing ten-year spurt in the trade nutshell.

POLIO PRECAUTIONS

RECOMMENDED BY
THE NATIONAL FOUNDATION FOR INFANTILE PARALYSIS

WHEN POLIO IS AROUND, the National Foundation for Infantile Paralysis recommends these simple precautions: Keep children with their own friends and away from people they have not been with right along. Don't become exhausted through work or hard play. Don't stay too long in cold water or sit around in wet clothes. And always wash hands before eating. Watch for feverishness, sore throat, headache, upset stomach or sore muscles. They may—or may not—mean polio. Call your doctor and then, if help is needed contact the National Foundation for Infantile Paralysis in your area.

Visitors to Clewiston, when they have asked residents when "the season" starts and end in the Queen City of the Glades, have been frequently puzzled by two seemingly contradictory replies—both totally honest, too! One, "January through March," interprets "the Season" in terms of the heaviest tourist trade, while the other, "November till May," measures things by the operating season of

U. S. Sugar Corp., which definitely affects each and every phase of the town's economic and social life.

Congratulations to men who wear the Silver Shield—U. S. Coast Guardsmen, who today observe the 160th Anniversary of the Coast Guard.

U. S. Coast Guard—1790-1950—160 years of service.

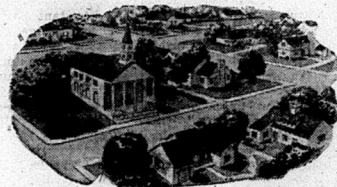

You lift your telephone—simplest gesture in the world.

Yet what a world of useful service it brings within reach of your voice! A single call may speed your work, add to your fun, calm a worried mind, or give your whole day

a lovely glow from the sound of a well-loved voice. And the value of the telephone keeps growing all the while, as the number of telephones grows.

This means you can call more people than ever before, and more can call you. Southern Bell Telephone and Telegraph Co.

WE ARE IN STEP WITH THE TIMES

It is no small task to record each week the happenings of any community. We here at The Everglades News are happy that our assignments bring us face to face with hundreds of folks of our community each week. We strive to KEEP IN STEP with what is going on here in this vast agricultural area on the eastern shore of Lake Okechobee. It gives us a great deal of pleasure to record for you weekly (and for posterity) the happenings of a growing section of Florida. Future generations will thrill when they read of the pioneering efforts of you and your loved ones in establishing a great agricultural empire.

KEEPING IN STEP with the times means that we must be on our toes day in and day out—making an earnest effort to record those things which are interesting, historical, progressive and at times amusing. All such happenings go toward making up a worthwhile and happy community where living is just a mite better than in thousands of other places in America—where your neighbor's smile is just a mite friendlier than is witnessed elsewhere in this great land of ours.

=====

Here In Our Newspaper
Office We've Spent.....

25 Years Doing One Thing Well

Each week for more than a quarter of a century this Newspaper has reached its readers each Friday morning with full and complete news coverage of the Lake Okechobee Farm Area. Bringing out The Everglades News each week—on schedule—has grown to be a habit with those of us who produce it. Not once during the 25 years of its existence has this newspaper missed a publication day. Through floods, hurricanes and other adverse antics of nature we have managed to make the deadline. It has been no small accomplishment.

The Everglades News

Paul Rardin, Owner- Publisher

Canal Point, Fla.

Miss Nadine Raulerson Weds Joe Cherry, Jr. In Beautiful Ceremony In Pahokee Church

Miss Nadine Raulerson, daughter of Mr. and Mrs. Ray B. Raulerson of Pahokee, became the bride of Joseph Russell Cherry, son of Mr. and Mrs. Joseph R. Cherry of Belle Glade, at a double ring ceremony held at the First Methodist Church here Sunday, Aug. 6, at 4 p. m. Rev. Hoke Shirley, pastor of the Pahokee First Baptist Church, officiated. He was assisted by Rev. Ralph W. Todd, pastor of the First Methodist Church.

The vows were repeated by the couple as they stood before the altar which was decorated with an arrangement of tuberose, gladioli, carnations and fern against a background of palms.

A program of musical music preceding the ceremony was presented by Mrs. H. C. Graham, pianist, and Mrs. William Shirley, soloist, who sang "Because" and "I Love You Truly."

The bride, given in marriage by her father, wore a white satin sleeveless gown with fitted bodice trimmed at the shoulders and neck with lace puckered with seeded pearls. The shoulder-length veil was attached to a small white hat by seeded pearls. Long white gloves covered her arms past the elbows. Her only ornament was a single strand of pearls and she carried a leaf bouquet with stephanotis pendant, centered with a white orchid.

Miss Christine Unwin, maid of honor, wore a yellow organdy dress and white crown hat with yellow streamers and carried a bouquet of tiny yellow rosebuds. Bridesmaids were Miss Clara Stein and Miss Yvonne Weeks who wore dresses, fashioned along the same lines as that of the maid of honor, of pale lavender and pale green, respectively. Both also wore white crown hats with matching streamers and carried rosebud bouquets. Helen Cherry and Glenice Raulerson, flower girls, were in pink organdy and blue organdy.

Fritz Stein, Jr., was Mr. Cherry's best man. Frank Anderson and Edmer Kirchman acted as ushers. Mrs. Raulerson, the bride's mother, chose a white rayon gabardine suit and Mrs. Cherry, the bridegroom's mother, yellow satin skirt. Both wore gardenia corsages.

Following the ceremony a reception, was held at the home of the bride's parents. Assisting Mrs. Raulerson was her sister, Mrs. Melvin Spooner; also the Misses Jo Ann Dixon, Clara Stein, Yvonne Weeks and Christine Unwin.

Out-of-town guests included Mr. and Mrs. O. W. Dixon and daughter, Jo Ann, and Mr. and Mrs. J. Emory and son, Joe, Tampa; Mr. and Mrs. George Terry and fam-

ily, Orlando; Mrs. H. P. Gainey, Brookier; Mrs. M. Raulerson and Mr. and Mrs. Kale Hook, Okeechobee; Mr. and Mrs. Lee Raulerson, Mr. and Mrs. C. E. Maynard, Mr. and Mrs. S. C. Anderson, Jr., Mr. and Mrs. A. A. Kirchman, Mrs. Fay Greer, and the Misses Nancy Crossen, Shirley Connell, Boots Young and Florence Boree and Jerry Cone, Belle Glade; Mr. and Mrs. Fritz Stein and daughter Irma, Mrs. N. E. Schlechter, Mrs. J. F. Brown and Miss Margaret West, Chosen; and Mr. and Mrs. J. S. Richardson, Key West; Mr. and Mrs. S. C. Anderson, Sr., Miami; Mr. and Mrs. H. J. Stein, West Palm Beach.

After the reception Mr. and Mrs. Cherry left on a wedding trip which will include a tour of the Southern and Central States. They will make their home at 554 E. Main St., Pahokee, where he will be engaged in the livestock industry.

Florida's newest horse racing track, the one-mile between DeLand and Daytona Beach, will cost around \$800,000 for full construction of facilities, according to Harry Kinsella, executive vice president of the new enterprise.

Shower In Honor Of Miss Raulerson

Mrs. L. L. Stuckey and Mrs. W. H. Jones, Jr., entertained at Mrs. Stuckey's home on Wednesday afternoon of last week with a party and bride's shower in compliment to Miss Nadine Raulerson, bride-elect of Joseph Russell Cherry.

The hostesses used hibiscus of many colors in decorating the living room for the party. The bride's table, covered with a lace cloth, had as a centerpiece a bowl of pink hibiscus blossoms and was lighted by pink tapers in double crystal holders.

In the receiving line with Miss Raulerson was her mother, Mrs. Ray B. Raulerson, and Mrs. Joseph R. Cherry of Belle Glade, mother of Mr. Cherry.

Miss Christine Unwin was in charge of the guest book. Miss Clara Stein and Miss Yvonne Weeks poured tea and coffee at the refreshments table. Miss Zella Jones and Miss Ruth Evans assisted the honoree with the opening and displaying of the many lovely gifts.

Mrs. J. W. Mullis sang "Till Dance at Your Wedding" and "The Sweetest Story Ever Told," accompanied at the piano by Miss Patsy Maxson. Miss Shirley Watson gave a reading. Soft piano music was played throughout the

afternoon by Miss Maxson.

Corsages were presented by the hostesses to those in the receiving line, those taking part on the program and those who assisted with the showers. Approximately 65 guests were present.

Goodson - Stuckey

Mrs. C. A. Stuckey of Pahokee announces the engagement and approaching marriage of her son, Stanley Mock, to Miss Lena Goodson of Canal Point. The marriage will take place at the home of Mr. and Mrs. Stuckey at 3 p. m. on Aug. 20. Friends of the couple are invited to attend.

A gentleman is one who thinks more of other people's rights than of his own feelings. — Matthew Buckham.

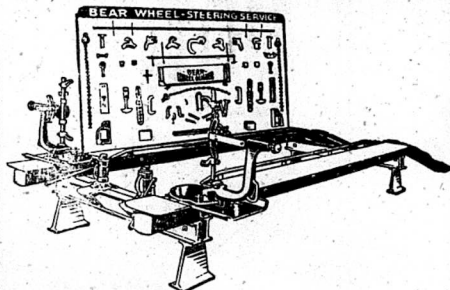

Alexander Graham Bell, inventor of the telephone, was a teacher of the deaf. Through his teaching he became interested in the sound of the human voice and the possibilities of sending sound across a distance.

Try this on your stereoscope!

WHEN THIS "VIEWER" was in the parlor, folks used to look at pictures like these.

They'd spend many an hour gazing wistfully at scenes of places they'd like to visit, things they'd like to do.

But, today, there's an invention that beats those stereoscopic pictures all hollow. No—it isn't television.

It's the Payroll Savings Plan—an automatic

method of saving that all but puts you on that liner and says "bon voyage."

So simple, so painless, so sure—the Payroll Savings Plan sets aside a small part of your earnings each and every pay day, puts it in United States Savings Bonds.

And those bonds grow and GROW. In ten short years they pay you back \$4 for every \$3 you put in today.

A self-fattening investment—guaranteed by Uncle Sam—that will let you do things for your family and for yourself that you could never do without such a convenient plan.

And, if you're not on a payroll, there's the equally convenient, equally profitable Bond-A-Month Plan at your bank.

No matter how you look at them, U. S. Savings Bonds help to picture a bright, happy future!

Automatic saving is sure saving—U. S. Savings Bonds

Annie Jones Circle of W. M. U. Meets first Tuesday of each month, 8:00 p. m.

Christian Science Society

CHURCH OF CHRIST, SCIENTIST

"SOUL" is the subject of the Lesson-Sermon which will be read in Churches of Christ, Scientist, throughout the world on Sunday, August 13.

The Golden Text is: "The Lord is my portion, saith my soul; therefore will I hope in him" (Lam. 3: 24).

Among the citations which comprise the Lesson-Sermon is the following from the Bible: "The law of the Lord is perfect, converting the soul; the testimony of the Lord is sure, making wise the simple" (Ps. 19: 7).

The Lesson-Sermon also includes the following passage from the

Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy: "When understanding changes the standpoints of life and intelligence from a material to a spiritual basis, we shall gain the reality of Life, the control of Soul over sense, and we shall perceive Christianity, or Truth, in its divine Principle. . . . It is highly important—in view of the immense work to be accomplished before this recognition of divine Science can come to turn our thoughts towards divine Principle, that finite belief may be prepared to relinquish its effort" (322: 3-7, 9).

the date for classes to begin.

Miss Wilkinson Weds William B. Shirley

Mr. and Mrs. James H. Wilkinson, Sr., of Pahokee announce the marriage of their daughter, Miss Barbara Wilkinson, to William B. Shirley, son of Mr. and Mrs. Claude L. Shirley, also of Pahokee.

The single ring ceremony took place at the First Baptist Church in Kingland, Ga., Saturday, July 29, with Rev. Edgar E. Brooks, pastor of the church officiating. Attendants were Miss Patricia Elliott and C. M. Margruder of Tampa.

The bride graduated from Pahokee High School last June and is attending Davis Institute in Miami this summer. While in high school she was active in Junior Red Cross work, representing Palm Beach County at the JRC national convention in San Francisco during her junior year.

Mr. Shirley graduated from high school in Continental, Ohio, and is now a member of the Senior Class at the University of Florida where he is majoring in engineering.

This summer he is employed at the Shirley Red-mix cement plant near the Glades Livestock Market.

Simpson - Chance

Announcement has been made of the engagement of Miss Aleez Simpson of Philadelphia, Pa., to Earl T. Chance, USN, son of Mr. and Mrs. J. T. Chance of Pahokee.

Miss Simpson, former resident of Belle Haven, N. C., has been employed for the past three years as secretary in the Widner Building, Philadelphia.

Mr. Chance holds the rank of P.N.S.N. in the Navy and is now stationed at the Philadelphia Naval Base. He was a student at Pahokee High School when he joined the service three years ago.

A military wedding at the Naval Base Chapel in Philadelphia is being planned to take place early in the fall.

Births

Mr. and Mrs. W. R. Mills of Pahokee announce the birth of a daughter, Mary Alice, Aug. 3.

Mr. and Mrs. Earl Moss of Pahokee announce the birth of a son, Marvin Earl, Aug. 4.

Mr. and Mrs. Jasper Lee Bray of Pahokee announce the birth of a son, Michael Lindie, Aug. 5.

Mr. and Mrs. Doyle Booker of Clewiston announce the birth of a daughter, Linda Karen, Aug. 7.

Mr. and Mrs. N. C. Morris of Pahokee announce the birth of a daughter, Linda Gale, Aug. 8.

When Abraham Lincoln was elected president, he had \$601 in the bank. These days it takes more than that to seek office of most any sort.

Come to Church

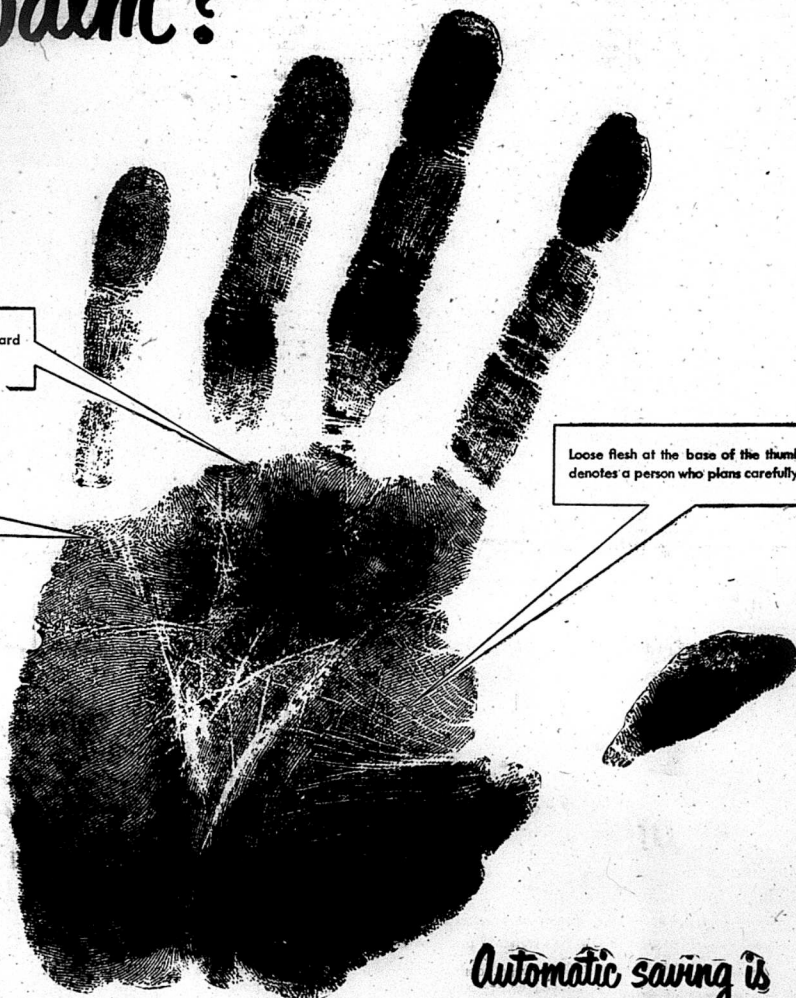

The churches of the Everglades extend a warm welcome to every person to attend church on Sunday. You'll get a deep satisfaction out of attending the church of your choice. You'll personally enjoy the wonderful messages of faith which are in store for you during this good year ahead. Today, make a resolution that one hour out of the week's 168 will be devoted to church services. Can you do less? Watch the columns of The Everglades News for church announcements weekly. The Lake Region is blessed with a group of fine churches. Your attendance will make the work of these churches more successful.

Churches Of The Glades

(This message sponsored and space made available
by Paul Rardin.)

Mind if we read your palm?

These long mixed lines show it is hard for this person to keep money.

These lines show riches brought about by one's own efforts.

Loose flesh at the base of the thumb denotes a person who plans carefully.

WELL BET that this hand belongs to a person who invests regularly in U. S. Savings Bonds.

It is the hand of a person who plans for the future wisely and well. One who has enrolled in the Payroll Savings Plan where he works—or, if he's not on salary, on the equally convenient, equally profitable Bond-A-Month Plan at his bank.

U. S. Savings Bonds are Government guaranteed to pay you back \$4 for every \$3 you put in—after ten years. There is no surer, wiser investment a man can make today!

Cross your own palm with plenty of silver in years to come. Start saving right away with U. S. Savings Bonds!

*Automatic saving is
sure saving—
U.S. Savings Bonds*

Mrs. Paul Rardin left yesterday to spend a vacation with her parents, Dr. and Mrs. W. O. Strickland in Glenville, Ga.

Contract On Park—

(continued from page 1)

State Comptroller C. M. Gay Owens said that the statutory meeting which was called this week was provided in case any changes were made in the assessment role during the month of July. No changes were made in the role which will provide the county with funds for a \$2.6 million operating budget during the coming year. No complaints on the role were received by the board this week.

Other actions by the commission included approval of the appointment of Mrs. Ann Warren as a stenographer in the county solicitor's office and granting permission for County Registrar DeWitt Upthegrove to attend the state meeting of registrars to be held in Tampa Aug. 15-19.

At the suggestion of Vice Chairman Rardin, the board approved a measure of commendation to state legislators and South Florida County Commissioners for their aid in securing funds for the TB hospital at Lantana.

At the blunt end of every egg there is a small space which is not filled with egg substance. This space is called the "air cell." The size of this cell is an index to the freshness of an egg. As the egg ages the air cell gets larger.

Walls and ceilings of the new \$8 million Washburn Tunnel under the ship channel at Houston, Texas are finished with 140,000 square feet of clay tile, for ease of cleaning and maintenance savings, the Tile Council of America reports.

If you do not want many friends, wear a long face.

Buffet Supper For Miss Raulerson

Following rehearsal for the Raulerson-Cherry wedding at the First Methodist Church Saturday night, Mrs. Melvin Spooner, aunt of the bride-elect, entertained with a buffet supper for the wedding party.

Guests of honor were Miss Nadine Raulerson and Joseph Russell Cherry. Other guests were Mr. and Mrs. Ray B. Raulerson, Mr. and Mrs. Joseph R. Cherry, Miss Helen Cherry, Mr. and Mrs. Chester Cumeford, Fritz Stein, Jr., Miss

Clara Stein, Miss Christine Unwin, Miss Yvonne Weeks, Mr. and Mrs. Lee Raulerson, Miss Glenice Raulerson, Rev. and Mrs. Hoke Shirley, Rev. and Mrs. Ralph W. Todd, William Shirley, Mrs. H. C. Graham and Elmer Kirchman.

Tomorrow's work is hard for many persons because they procrastinate today. Today is the best day in the year for today's work—Thomas Dreier.

Man is like a tack. He must be pointed in the right direction, driven hard, and then he will go as far as his head will let him.

Only Chevrolet offers such a
wide and wonderful choice
...and at the lowest prices, too!

You can choose between
Styleline and Fleetline styling

Many an admiring glance will follow you when you roll by in your new Chevrolet with Body by Fisher. That's true whether you choose a Chevrolet Styleline model, with "notch back" styling, as the designers call it, or a Chevrolet Fleetline model, with "fast back" styling. Both are available on all Chevrolet sedans and at the same prices! Remember—Chevrolet is the only low-priced car that offers these two outstandingly beautiful types of styling... thus giving you an opportunity to express your own individual taste in motor car beauty.

You can choose between
Automatic and Standard Drive

You have an enviable choice of engines and drives in Chevrolet, too. You can buy a Chevrolet combining Powerglide Automatic Transmission* and 105-h.p. Valve-in-Head Engine for the finest no-shift driving at lowest cost, or a Chevrolet combining the highly improved standard Chevrolet Valve-in-Head Engine and Silent Synchro-Mesh Transmission for the finest standard driving at lowest cost.

*Combination of Powerglide Automatic Transmission and 105-h.p. Engine optional on De Luxe models at extra cost.

You can choose between
the Bel Air and the Convertible

And if it's a sports model you want, here's your car! Choose the fleet, fashionable, steel-topped Bel Air, with smart, racy lines, extra-wide windows, and gray, leather-trimmed upholstery, and you'll have the only car of its kind in the low-price field. Or choose the equally beautiful Chevrolet Convertible, with automatic top that lifts or lowers at the touch of a button, and you'll have the finest Convertible in its price range. Also available is an all-steel, four-door Station Wagon—smartest in its field—listing for \$260 less than last year.
